

The 5% Club

Breakfast Briefing Event

EVENT DETAILS	
EVENT TITLE	Breakfast Briefing: attracting and retaining diverse talent
Date:	Thursday 16 May
Location:	Hosted by Kier: 33 Foley Street London W1W 7TL
Timing:	8.30am-11.30am
Who should attend:	Anyone interested in developing a truly diverse workforce and embedding a D&I culture into their organisation.
<p>The 5% Club is partnering with Arrival Education – an organisation with more than 10 years’ experience helping leading businesses become more diverse and inclusive.</p> <p>An increasing number of organisations are waking up to the power of diversity and inclusion as a key driver of innovation, growth and improved business performance. The data is conclusive. Forward-thinking businesses know that they need to diversify their workforce and become more inclusive. However, very few organisations are currently succeeding, especially with regards to social and ethnic diversity.</p> <p>We are joining forces with Arrival Education to create a practical breakfast event on attracting and retaining diverse talent. This event will help businesses understand the talent that is out there and some of the issues they face as well as the issues that don't allow the talent to come to market. We will be joined by some of Arrival Education’s diverse talent who will outline their experiences and how we might look at attracting diverse talent.</p>	
AGENDA	
8.30am-9am	Coffee and networking
